

Wright County NWQ Water Quality/Natural Resources Committee Meeting #7
Monday, September 8, 2008

Committee Members Present: James Olsen, Lance Lindstrom, Mark Kampa, Mike Mcnellis, Rose Thelen.

Staff Present: Stacy Marquardt, Tom Salkowski, Barry Rhineberger

Others: Charlotte Quiggle

Meeting opened at 1:35

Marquardt summarized proposed agenda. The slide demonstration for the public meeting will be completed, with review of the slides and narrative will occur afterwards.

Marquardt presented the slide show, complete with narrative.

The committee discussed small revisions to the entire presentation and noted that people will primarily be interest in what it means to them and their property.

Each slide was reviewed one by one, with minor changes being discussed.

Salkowski summarized and discussed proposed policy number three. Salkowski explained the differences between the administration of an ordinance versus a plan and how the two may be applied in the Resource Land District.

The Committee discussed the different programs that may be available to land owners in the proposed district and the manner in which being in or out of the district may affect enrollment in different programs.

The next meeting date was set for October 13, 2008 at 1:30.

Meeting adjourned at 2:56
